

Step 1

Create the basic frame of the shark.

Step 2

Fill the frame.

Step 3

Create a 2D shark shape.

Step 4

Draw two curves, they would be the width of the shark body.

Step 5

Connect two curves to the shark body.

Step 6

Free hand doodling on the frame.

Shark

By 3Doodler Community

Step 7

Draw the fins and connect them to the body.

Step 8

Completed !
